Work Study

To enhance the KlezKamp community experience, there are a limited number of work-study positions available from Living Traditions; recipients assist in our KlezKids program, on our tech crew or in the Epes Center (the KlezKamp resource/registration center). If you are interested please send (with your registration form and a \$100 deposit) a letter describing your experience working with children, audio-visual equipment and/or computers (Macintosh only, please.) We will not consider applications for work-study positions without a deposit or from those without experience. Deposit will be returned to those who do not receive a position and are thus unable to attend.

Class Registration

Please select one class per time period for each teen and adult on this form (indicate by initials). For the greatest benefit, we suggest attending the classes chosen for the duration of KlezKamp. **Please select only one class per period per person.** For classes marked with a *, please indicate the instrument you will play in that class or your vocal range and your level and submit a recording.
